If you want to take up your position on the front lines and get battle ready, EA 2017 is the conference you don't want to miss!

Through the workshops, praise and worship, the riveting drama, prayer and much more, young adult women and teen girls will be equipped to be ready as a mighty spiritual warrior.

Come and learn how you can be a **FEARLESS WARRIOR: DRESSED FOR BATTLE**

EARTH'S ANGELS NEEDS YOUR HELP UNLEASHING OPPORTUNITIES FOR YOUNG WOMEN

The heart's desire of one pastor's wife - to reach out to young women by impacting them before life's challenges have beaten them down - is the driving force behind Earth's Angels.

Today, we are extending an invitation to you to become a Growth Partner with Earth's Angels. Our goal is to mentor and support the continued education and leadership development of young women. Each investment in the life of a young woman is a sound one, and we ask you to join us in this viable mission field.
