

**JOIN CONFERENCE HOSTS:**

**Kathy A. Burrell & The Hope Women's Fellowship**

We celebrate this year looking at Jesus' Parable of the Sower. Jesus uses this parable to reflect how His word (seeds) is received differently by people and their reactions to what they perceive.

Have you considered what type of soil you are? Join us at this year's Earth Angels' Conference and discover the soil of your heart. The state of your heart influences your response to God's Word—acceptance or rejection. Through the teachings in this conference you will begin to examine yourself and determine if you are hearing and receiving the Word. You will then know the condition of your soil. Let's get deep!

**EARTH'S ANGELS NEEDS YOUR HELP  
UNLEASHING OPPORTUNITIES FOR YOUNG WOMEN**

The heart's desire of one pastor's wife - to reach out to young women by impacting them before life's challenges have beaten them down - is the driving force behind Earth's Angels.

Today, we are extending an invitation to you to become a Growth Partner with Earth's Angels. Each investment in the life of a young woman is a sound one, and we ask you to join us in this viable mission field.
